### ONLINE COURSES AND CASE STUDY LIBRARY

#### Disclaimer

Thank you for your interest in enrolling for our online courses.

Due to high demand, enrollment for our "Introduction to Gender and Diversity in Mine Action" e-learning course, we are required to limit the number of active users to 150 per hour. As a result, you may not be able to log in, in which case you are advised to try to log in again at a later time. We apologize for the inconvenience.

In addition, please note that in order to allow new registrations, the system will automatically deactivate learners accounts who have completed this course.

Thank you for your understanding and cooperation.

TITLE	DESCRIPTION	
A NEW COURSE! Understanding the International Mine Action Standards (IMAS)	This introductory module is meant for all professionals working within or close to the mine action sector and willing to better understand what the IMAS are, to confidently ensuring safety, quality and efficiency of mine action activities.	
Componente de aprendizaje en línea del ejercicio de validación del Programa UN SaferGuard, 2021	Este componente de aprendizaje en línea tiene por objeto preparar a los participantes para el ejercicio presencial de validación del Programa SaferGuard de las Naciones Unidas. Está diseñado como un curso de actualización de conocimientos antes de asistir al ejercicio presencial.
